1. Introduction

The playing rules for all domestic competitions conducted by the Western Port Basketball Association (hereinafter referred to as WPBA, or the Association) are determined by the General Committee (GC) of the Association. The GC receives advice on necessary changes from both staff and the domestic committee. The domestic committee is an advisory body that takes responsibility for making recommendations to the GC on direction and policy, as well as assisting the GC in conducting day-to-day functions which may include grading, presentations and fixturing.

2. Competition Membership of WPBA

The Competition Rules recognise three levels of Competition Membership:

- Player
- Team
- Club

The nature of each type of membership is described below.

2.1 Player Membership

All players must be members of WPBA. A person will not be recognised as a Player Member until they have completed the Registration Process. Player Membership is necessary to allow management of the players movements within the Association (refer to Permits and Clearances, below).

2.1.1 Player Registration Process

To register as a Playing Member, a person must:

- Complete any prescribed Online Player Registration form prior to the start of a new season, and
- Lodge the Player Registration form Online, accompanied by the appropriate Registration fee (if any).
- Provide photographic proof of identity or a statutory declaration or other proof approved by the WPBA office upon request.
- If Player Registration is not done by the start of the new season, then a person must do their Player Registration at the WPBA Office during business hours

2.1.2 Date of Effect of Registration

All players must be registered on the day that the player participates in competition for the first time.

2.2 Team Membership

Team Membership is necessary to allow the scheduling of competitions. The following clauses apply to Teams (for Clubs, refer to the Club Membership provisions, below).

2.2.1 Team Bond

When a senior competition team first joins a competition conducted by the WPBA, it will be required to lodge a Bond, prior to participating. The following clauses will apply to Bonds:

- The General Committee shall prescribe the details of the bond at the time of imposition.
- The bond may be appropriated towards any amount owed by the team to the Association. The team is in breach of the Association's Rules until the full amount owing is paid and the bond is reinstated.
- The term of the bond:

The bond shall be retained by the WPBA until such time as the team withdraws from the competition, the team may then make application in writing for the return of the amount lodged.

Any team that ceases to participate in competitions conducted by WPBA, and has a lodged bond, the team may make application in writing for the return of the amount lodged.

In all cases, refund will be made subject to prior settlement by the team of all amounts owing to the WPBA.

2.2.2 Team Entry

Applications by teams for entry into competitions conducted by WPBA shall be by:

- The lodgement of the prescribed online entry form(s) (fully completed), by the due date.
- The payment of all appropriate fees by due date.
- As part of the Online Registration Process, the team contact completing the registration must include email contact details to allow players to register to the team via Online Registration.

Acceptance of Applications by WPBA

The WPBA is not bound to accept applications. It may reject applications in respect of individuals, individual teams (or Clubs), or impose such limitations on the number of teams or other conditions as it sees fit. Where applications for a

team (or teams) are not accepted, the prescribed fees will be returned or credited to the Club's account.

Late Withdrawal of Team

Any team that withdraws after fixtures have been drawn up will forfeit 100% of their entry fees, as a withdrawal penalty.

Late Entry Fee

If a team enters a WPBA competition after the due date, a \$20 Late Entry fee may also be applicable

2.3 Club Membership (As of March 2011)

Club Membership of WPBA Competition affords both the Club and the WPBA certain advantages that benefit the competitions and the administration of them. Club Membership will be extended to the seven regional based clubs as introduced by the WPBA in March 2011 and any party who wishes to enter multiple teams will be treated on a case by case basis. Clubs will be considered as having an ongoing business relationship to the WPBA.

2.3.1 Privileges and Expectations of Clubs

The following expectations of Clubs apply:

- (i) Clubs will be expected to co-ordinate the entries of all teams playing under the Club name. This will meet the same requirements as detailed in "2.2.2 Team Entry", above. As such, individual teams will not be required to submit entries.
- (ii) Because of the ongoing business relationship between the Club and the Association, individual team bonds will not need to be lodged. As such, the Club will honour any amounts owing by individual teams of the Club.
- (iii) The Association may offer certain privileges to Clubs from time to time.
- (iv) Any Club that enters more than 5 teams in any one season can elect to be invoiced monthly for all amounts owed to the Association. Payments must be made within 7 days of invoicing from the Association

3. Competition Pre-requisites

Only under exception made by the WPBA General Committee or General Manager will teams or players be allowed to take to the court wearing any association's representative singlet or shorts. This includes the reverse side of such uniforms.

3.3.4 Colour Clash

A uniform colour clash shall be deemed to exist if the referees, or either team, raise an objection on the basis of uniform colour similarity.

The Association Uniform Priority List will be available at the office to determine a resolution to the colour clash. It is each team's responsibility to check this list for a colour clash. The team listed as TEAM B on the scoresheet must wear alternate tops (refer "3.3.6 Stadium Singlets").

3.3.5 Teams from Same Club

3.3.6 Stadium Singlets

Teams are able to hire Stadium Singlets, which are available at the front desk. A fee of \$20 will be charged after Round 4 except when the team can produce evidence of uniforms on order.

3.3.7 Refusal to Change Singlet

If a team listed as TEAM B on the scoresheet refuses to change to an alternative colour, that team will be deemed to have given a walkover (refer to "4.3 Walkovers and Late Starts"). The only exception will be if TEAM A agrees to wearing the alternative colour.

4. Competition Management

4.1 Grading of Teams

4.1.1 Initial Grading Process

The initial grading of teams shall be determined at a meeting of the relevant Domestic Committee, and shall be based on the team lists of players submitted in accordance with Rule "2.2.2 Team Entry - (iii)".

The Association will review any grading where players are added or removed from teams subsequent to the lodging of team lists (refer to Rule "4.1.2 Regrade Process").

4.1.2 Re-grade Process

A regrading of teams will occur immediately after Round 3 and shall take effect from round 4. This will allow additional teams to enter at that stage. Notwithstanding the above, WPBA may regrade any team at any time of a season.

4.2 Premiership Points

4.2.1 Resulting from Games Played

- (i) A team winning a non-finals game shall be awarded three premiership points.
- (ii) The losing team shall be awarded one premiership point.
- (iii) Where a game results in a tie, each team shall be awarded two premiership points.

4.2.2 Resulting from Byes

A team allocated a bye shall be awarded three premiership points.

4.2.3 Resulting from Walkovers

- (i) The team winning by walkover shall be awarded three premiership points.

execute the toss of the ball to commence play. For each minute, or part thereof according to the game clock, that the game is delayed by any team not being present (with a minimum of four players, ready to play), the opposing team, while in attendance, shall be credited with two game points, up to a maximum of 20 points (ie up until the 10 minute mark).

If both teams have a minimum of four players, ready to play, within the first 10 minutes, the referees shall immediately start play. If at least one team fails to present a minimum of four players, ready to play, by the 10 minute mark, the referees shall declare the game a walkover (refer to Rule "4.3.2 Walkovers").

4.3.2 Walkovers

In circumstances when the match referees have declared a game to be a walkover (refer to Rule "4.3.1 Late Starts"), the following provisions shall apply:

Only One Team Fails to Appear

Where only one of the teams fails to appear, the game shall be awarded to the opposing team. The scoresheet will be inscribed to indicate a win for the opposing team by 20 points to nil (refer to Rule "4.2 Premiership Points" for details concerning teams giving walkovers).

Both Teams Fail to Appear

Where both teams fail to appear, both teams will be deemed to have given a walkover, and be liable for the stipulated fine. The game result shall be recorded on the scoresheet as nil all (refer to Rule "4.2 Premiership Points" for details concerning teams giving walkovers).

Penalties for Walkovers

Besides the allocation of match points (as described above) and premiership points (as described in Rule "4.2 Premiership Points"), the following penalties shall apply:

- (i) For each walkover given, a team shall be liable to pay the prescribed fine (\$100 un-notified or \$50 notified – if within 48 hours prior to the scheduled game, this is un-notified and to be called a "walkover fee").
- (ii) Any team that gives three un-notified walkovers during a season may be disqualified from the competition at the discretion of the Business Manager.
- (iii) All fees incurred must be paid in full prior to the next fixtured game.

4.4 Deferred Games

4.4.1 Conditions for Deferral of a Game

A game may be deferred only with the approval of the General Manager, Administration Officer or Committee, provided:

- (i) A formal request has been submitted to the General Manager, and if both teams agree to the deferral.
- (ii) Deferral is practical and appropriate.
- (iii) The result of the game may affect the finals standing.

Approval to defer is entirely at the discretion of the Business Manager.

If not approved, the original fixture shall stand.

In the case of a regular season and finals (semi and preliminary) games being terminated or unable to start due to unforeseen circumstances, eg: power failure, the following rules shall apply (Exception to this rule is Grand Finals):

- (i) Should a game be terminated before half time, the game is considered a draw.
- (ii) Should a game be terminated after half time, the team with the highest score at that time wins.
- (iii) No games will be rescheduled to another date or time.

For Grand Finals both teams will be consulted on a mutually agreeable time and venue for a reply or balance of time remaining for the game. If all parties are non-agreeable then the Domestic Committee will decide the fairest outcome.

4.5 Finals

4.5.1 Team Eligibility for Finals

Team eligibility to play in finals will be determined by the finals system used (refer to Rule "4.5.2 – Finals System"), and the position of the team on the ladder following the last round of competition. The position on the ladder will be determined by:

- (i) Premiership points awarded, then
- (ii) Overall percentage (points scored by the team for the season divided by points scored against the team for the

season times 100%), then

(iii) Where teams are still tied for position, aggregate score differences in games played between the two (or more) team will determine the placing (eg, Team A won by 7 points, then later in the season lost by 8 points to Team B – Team B finishes above Team A).

(iv) If the team who finishes first or second after the regular season cannot participate in the semi finals they will be considered withdrawn from the competition and the 5th placed team moves into the finals system.

4.5.2 Finals System

Generally (see Exceptions, below), the top four teams in a grade will play off in a Finals series, as described in the following:

Semi Finals

- 1) 1v2 SF2
- 2) 3v4 SF1

Preliminary Final

- 3) L1vW2 PF

Grand Final

- 4) W1vW3 GF

Exceptions:

- Where a grade has less than four teams, a finals system will be played that accords with the number of teams involved. The Business Manager will determine this system.
- No finals series shall be conducted for the Under 8 Mixed competition.
- A division may have an A & B Final based on more than 10 teams in that division. In this case, the top 4 will contest the A Finals and the teams placed 5th to 8th will contest the B Finals

4.5.3 Player Eligibility for Finals

To be eligible to play in the Finals, all players will need to meet the following criteria:

(i) Have registered under the team and/or Club.

(ii) Shall have played with the team in question in the number of games fixtured for that team (refer to Special Arrangements for Juniors, below). A player is deemed to have played a game by having signed the back of the score sheet. The following table lists the number of fixtured games you must have played in order to be eligible with byes counted as games fixtured.

COMPETITION GAMES	MINIMUM GAMES
09-11	4
12-13	5
14-16	6
17-18	7
19-21	8

(iii) Any player, who, through injury or other considered just cause, has not been able to play the required number of rounds to qualify for the Finals, may apply to the Domestic Committee for consideration. Such application to be made in writing with a medical certificate or other appropriate documentation where applicable, at least seven days prior to the date of the finals series commencement.

(iv) Compulsory training sessions for selection in State teams and ITC Camps shall be counted as games played in lieu of corresponding WPBA competition games, provided that the player has actually played for that team in no less than one quarter of the fixtured games for that team (rounded down to next whole number where necessary). The team/Club should supply, to the Domestic Committee, a letter signed by the State coach conducting the training sessions in which the player has participated, including the dates of such training sessions.

(v) For the Final Series, if a team is reduced to less than 5 players, the next part qualified player may be added to the team, under the direction of the General Manager. In the situation where a qualified player becomes available later in the Final Series, and the team otherwise has a minimum of five (5) players, the part qualified player cannot play.

Special Arrangements for Juniors

Junior players may also compete in more than one age group finals series, provided they have qualified in each age group, in accordance with the above criteria.

5. Player Management

5.1 Penalties for Illegal Player Movements

The penalties described below will apply to illegal player movements (refer to Rule “5.2 Unregistered Players”, Rule “5.3 Movement Between Grades/Age Groups within a Club” and Rule “5.4 Movement Between Clubs”).

(i) Where a team that illegally plays a player, wins such a game, that win shall be forfeited, and the game result will be recorded as a twenty (20) points to zero (0) points win by the respective opponents. Also, as a result, the opponents will be awarded three (3) premiership points, and the penalised team will be awarded zero (0) premiership points.

(ii) Where a team that illegally plays a player, loses such a game, that game result shall stand. However, while the opponents are awarded three premiership points, the penalised team will be awarded zero (0) premiership points.

(iii) Games illegally played by a person shall NOT be credited to the player’s total games for finals eligibility (refer to Rule “4.5.3 Player Eligibility for Finals”).

5.2 Unregistered Players

After round 4 takes place (refer to Rule 4.1.2 “Re-grade Process”), a team playing an unregistered person(s) shall lose premiership points gained from the first game in which that person played whilst unregistered. No further penalty shall be incurred until official notification has been made to the team/Club. After notification, the team shall lose all subsequent points and the result of affected games will be revised in favour of the opposing team(s). In all cases where penalties apply the provisions of Rule 5.1 “Penalties for Illegal Player Movement” shall apply.

5.3 Movement between Grades/Age Groups within a Club

5.3.1 Definitions:

- (i) Each season stands on its own, and there is no carry forward of requirements from one season to the next.
- (ii) The term “games” refers to non-finals games, and byes do count as games played.
- (iii) The term “normal age group” means the lowest age group in which a player is eligible to play.

5.3.2 Play in Different Teams in One Round

Subject to compliance with the rest of this Rule; a player may play up a grade (B Grade can play A Grade but not the reverse) within their age group. A player can play in a higher grade no more than three games before they are classified as a permanent player within the higher graded team.

5.3.3 Player whose Team has a Bye

A player, who plays for a team that has a bye in a given round, may only play with a team from the same Club in a higher age group (where this is possible) in that same round.

5.3.4 Senior Player Provisions

A player from a senior team may play in both grades (B and C) for the duration of the competition. Competition management will not fulfill any requests to ensure both teams are scheduled at different times.

5.3.5 Play in Different Age Groups

The following provisions apply to players who play in more than one age group:

- (i) A player may play in an older age group than their normal age group.
- (ii) A junior player, playing in an older age group, may only play in that age group provided they are competing in their own age group to ensure the quality of the competition. (eg. A player from a team in U14 can play in a team in U16 “A” or “B” Grade provided they are playing U14).
- (iii) A Club may apply in writing to the Association for any variation to this Rule.

5.3.6 Penalties for Ineligibility (Senior & Junior)

Penalties for ineligibility under this Rule are as described in Rule “5.1 Penalties for Illegal Player Movements”.

5.3.7 General Comments

Clubs are strongly recommended to seek prior help from the WPBA office, Business Manager, who shall give a ruling.

These rules seek to prevent a team gaining an unfair advantage over another team, whether by accident or design, through movement of players from one team to another, It is not intended to prevent a player from finding the grade suited to his/her skills or from making a team which might otherwise have to give a walkover.

5.4 Movement Between Clubs

Junior players may only play for one Club in the season, except where a Clearance is approved up to Round 5, and also where a Permit is granted by the Association. These two exceptions are covered below.

5.4.1 Transfers & Clearances

A player wishing to transfer to another team/Club, teams/Clubs involved in the subsequent clearance applications, and the WPBA shall observe the following requirements:

(i) A player wishing to transfer to another team or Club shall obtain, on the prescribed form, a clearance from their present Club and lodge this clearance with the WPBA office.

(ii) Clubs must deal with any clearance application received, within 14 days. Where no reply is given within 14 days, the player may appeal to the Business Manager, who shall have the right to grant or refuse a clearance. Generally, where Clubs do not consider clearances within the prescribed period, a clearance will automatically be granted.

(iii) A player lodging a transfer application prior to Round 5, which is subsequently approved by the Association, will be eligible to play immediately.

(iv) Clearances in circumstances not covered by the above Rules, or received after Round 5 of a season, shall be considered on their merit by the Domestic Committee and a recommendation shall be made to the Business Manager.

(v) Where the Association deems that the transfer of a player would adversely affect the competition (refer to clause (vi) – dot point three, below), the player involved may either –

- Remain with the team of previous registration, and participate for the remainder of the season in question, or
- Be transferred to the new Club, but remain ineligible to participate in the season which is already under way.

(vi) In exercising discretion, the General Manager may be guided by the following general principles and considerations –

- The overriding desire shall be to ensure that persons wishing to play basketball are not prevented from doing so;
- Where contracts exist, or financial or property matters are contested, the Association may determine that a clearance is denied, until such time as the monies owing are re-paid, or property is returned;
- Any transfer request after Round 5 of any season will be considered only where the player's transfer would not change the overall makeup of either team or relative strengths of the two grades, where this is relevant.

(vii) Penalties for breaches of this Rule shall include the immediate forfeit of premiership points gained in the first instance of the breach (as described in Rule "5.1 Penalties for Illegal Player Movements"). No further penalty shall be incurred until official notification has been made to the team/Club. From that time all penalties applied shall be as described in Rule "5.1 Penalties for Illegal Player Movements".

5.4.2 Permits

A Permit must be submitted on the prescribed form and is valid for one season only. A Permit will be accepted only where both Clubs approve of the arrangement and the arrangement commences prior to the half way point of the season. The effect of the Permit is to allow the player to participate with another Club (eg, where the Club, to which the player is registered, does not have a team at the desired age or grade level) for the duration of a season, but the player will remain registered with the original Club at the completion of that season.

6 Representative Players In the WPBA Domestic Competition

Taking effect from Season 1, 2015 any team from U/10 through to the U/20's in the WPBA Domestic Competition will be adjudicated under the Limited WPBA Junior Representative Players Per Team System.

This has been brought in to assist in the task of making the Junior Domestic Competition at Western Port both fair and competitive for all players, coaches, teams and supporters. The primary aim of the Domestic Competition is for fun and exercise for all concerned. While WPBA Rules require all WPBA Junior Representative players to also play in the Domestic Competition, it is essential that no one team should dominate in any competition as a result of being "stacked" with Representative players.

6.1 Criteria for Allocation to a Player

Principle: The general principal observed here is that the player's status at the start of the Domestic season remains in place until the end of the Domestic season including finals.

Definition: The Rep season is deemed to include all of the break that follows it, up to the commencement of the next representative basketball season.

6.2 Qualification

Any child who concurrently plays Domestic (WPBA) and Junior Representative (either for Steelers or for any other Representative Association) Basketball will be deemed a Junior Representative Player in accordance with the level of representative basketball played.

As an example, if playing at U12 Rep, they will be deemed a Junior Representative Player applicable to any junior Domestic competition (being U10 through to U20's). The limit of Junior Representative Players is applicable to ALL Junior Domestic Competitions – players cannot play up and age group to be exempt from this rule.

The only exemption from this qualification is if the player plays in a defined senior WPBA Domestic competition (i.e. Under 22's, Open Women, Open Mixed, Mid Week Ladies, A/B/C/D Men)

6.3 Application of Qualification

The above criterion (see 6.2 Qualification, above) will apply to any player who:

a) Is playing Representative basketball at the time they commence a Domestic season (whether at the start of the Domestic season or at some other time during that season). This will apply for the duration of that Domestic season;

b) Was playing representative basketball in a season that overlaps the start of a Domestic season, and then ceases playing representative basketball. This includes quitting representative basketball in the middle of a representative season or in the break that follows that season – in this case the applicable qualification to the pre-break representative season shall apply (see 6.4 Removal of Qualification, below).

c) Where a child, who has only been playing domestic basketball, either commences playing representative basketball in the middle of a Domestic season or his/her team hasn't completed grading to finish in their eventual competition the player will be exempt from this rule during that season. However, the following season that player will be allocated their correct Qualification application if the child continues both Rep and Domestic next season.

6.4 Removal of Qualification

Where a player quits Junior Representative during a Domestic season, the above criterion (see 6.2 Qualification, above) will cease to apply at the end of that Domestic season.

Note: If, in such a case, the player re-commences Junior Representative during the next Domestic season, the Qualification will be immediately re-applied as soon as they re-commence Rep Ball.

6.5 Players Per Team

6.5.1 Teams

The number of Junior Representative Players allowed for each team will be determined as follows: 3 Players
Allowance for a team to register 4 Junior Representative Players, but only 3 play in any one game, is permissible during Season 1 & Season 2, 2015 – but not thereafter

6.5.2 Penalties

A failure to comply with these provisions (ie, a team playing a game with more than 3 Junior Representative Players in any one game) will result in the game being forfeited with the loss of premiership points for that game.

6.6 Club & Team Responsibilities:

Clubs & Teams are required to comply with the following:

- Declare, on the Online Registration Domestic team entry form, which players are also Rep players, and the Rep Team in which they play;
- If a team wishes to add a Rep player after their team entry is submitted, they must gain permission from the WPBA Office, prior to that player participating. Failure to do so will incur a loss of premiership points for any games that player participates in. In adding a Rep player, the team must still remain within the 3 Junior Representative Players per team limit.

A Club may apply in writing to the Association for any variation to this Rule.
